When the Pay Envelope Comes Around

What do you do with the money that's in it? You have expenses, of course, but what do yo do with the residue? You have pleasures of course-every one needs them-but surely your pleasures cannot cost you the balance of your weekly stipend? The most seniible thing a young person can do is to start a savings account, however small. The sensation of knowing that your money is earning money is vastly better than the thought that you are living right up to your income. Let this week be the week you open an account. \$1,00 will start Fortune your way.
